- ☐ The appeals authority has issued a final decision in writing.

NOTE: The Office of the Property Rights Ombudsman ("Ombudsman's Office") cannot accept a Request for an Advisory Opinion after a local appeals authority has issued a final decision. In addition, the Ombudsman's Office cannot accept a Request for an Advisory Opinion if no one filed a necessary appeal before the deadline to file and the local decision therefore cannot be appealed to an appeal authority or court. Those involved in requesting an Advisory Opinion must file timely appeals or the issues involved will be rendered moot. Please call the Ombudsman's Office for more information.

Who is to Prepare the Advisory Opinion:

An attorney from the Ombudsman's Office will prepare the Advisory Opinion at no additional cost (other than the \$150.00 application fee). Any party to an Advisory Opinion may request that an approved outside attorney prepare the Advisory Opinion. If an outside attorney is chosen, the parties must pay that attorney's charges and fees. A list of attorneys approved to prepare Advisory Opinions is attached.

In some circumstances, the Ombudsman's Office may choose to appoint an outside attorney to prepare an Advisory Opinion. In those cases, the parties must also bear the costs for the outside attorney. The Ombudsman's Office will not appoint an outside attorney unless it notifies the parties and they agree to pay the additional costs.

	Please check here if you want the Advisory Opinion prepared by the Ombudsma	an s
Office's	s attorneys.	
	Please check here if you want to propose an attorney other than the Ombudsma	an's

Office's attorneys to prepare the Advisory Opinion. If checked, we will call you to discuss.

As the person making this request, I hereby understand and agree as follows:

- □ The Ombudsman's Office will work to mediate a solution to this dispute in lieu of issuing an Advisory Opinion, but the Ombudsman's Office will issue the opinion if the party requesting it prefers that the Ombudsman's Office issue it.
- □ If the Ombudsman's Office appoints a professional to provide the Advisory Opinion, I will pay an equal share of the cost of professional services with the other parties to the dispute and provide financial assurances of the payment.
- ☐ If the Ombudsman's Office determines that the issue is not appropriate for an Advisory Opinion, then none will be provided.

Please submit this form to the Office of the Property Rights Ombudsman, along with application payment in the amount of \$150.00, made payable to the Office of the Property Rights Ombudsman. The fee paid to initiate this opinion is non-refundable.

The Ombudsman's Office will consider this form and all submissions accompanying this form as a public record and will provide it to all other parties listed. If any party desires that the Ombudsman's Office keep any information provided to it confidential, that party must notify the staff attorneys at the Ombudsman's Office before providing such information.

I/we hereby request that the Office of the Property Rights Ombudsman provide mediation and/or arbitration of the matter(s) described in this request.

The attorneys on the list have consented to have their names placed on it. The Utah Land Use and Eminent Domain Advisory Board ("Board"), which oversees the Office of the Property Rights Ombudsman ("Ombudsman's Office") in the Utah State Department of Commerce, has reviewed and approved each of these attorneys. Neither the Ombudsman's Office nor the Board can make specific representation as to qualifications, expertise, or impartiality of these attorneys. Before requesting that the Ombudsman's Office engage the services of a professional neutral, individuals should make their own investigations to determine which may be the best to assist in a specific case.
